## Full Draw Student Ministry Reflections

Summer has come and gone, and although it has been a smoky one, we have still enjoyed our time on vacation, at the pools, rivers, waterfalls and everywhere else! Summer has been great to spend time with family and for a chance to get some much needed rest and relaxation. However, the time is rapidly approaching that your children begin to dread while you and your spouse see the light at the end of the tunnel with the upcoming school year.

Although the suffering of getting up early and going to school everyday is rushing in for your students, not all is glum. For the start of school also brings on the start of regular youth group meetings again! We have a lot of great curriculum to look forward to this year, and a lot of fun events planned!

Our regular large group lessons will be occurring on Thursdays for the months of September and October. We think Thursdays make it easier for our high school students to make it to youth group, but this is just a trial run. We will be looking into and finding ways to offer transportation to the students and parents that this may inconvenience. Once finalized, all schedules will be posted to the Facebook page, emailed to all parents, and posted on the youth community board in the atrium of the church. Don't forget to regularly check the youth group Facebook page as all event information and noteworthy information is posted there regularly.

As these last days of summer wind down, let's take this time to be in the moment with our students and get excited about the opportunities the school year will offer. Welcome to our second year of Full Draw Student Ministries!

# **WORLD MISSION OFFERING**

Thanks to gifts to the World Mission Offering, IM and the U.S. and Puerto Rican churches were able to respond to recruit, train and send IM development workers Emerson and Ivy Wu,” explains IM Area Director, Dr. Benjamin Chan. “The Wus are in Macau now, learning the language, building relationships and working with the teenagers. Changing hearts is beginning, but real transformation takes time.” Gifts to the World Mission Offering will continue to support and strengthen the Wus’ ministry in Macau, as well as all of IM’s other ministries around the world.

“Gifts to the World Mission Offering help IM respond to urgent needs all over the world—from reaching people with the gospel and training pastors, to anti-human trafficking efforts and helping people climb out of poverty,” adds IM Executive Director, Dr. Reid Trulson. “Through gifts to the World Mission Offering, IM is able to establish new ministries like the one in Macau, grow those that are already established in more than 70 countries around the world and sustain the vital infrastructure that makes these ministries possible.”

Dear Friends,

*Thank you so much for your continued prayers and kindness during this time of not knowing the cause of my health issues. Your love and friendship has meant so much to me.*

Dear Friends,

The society of St. Vincent de Paul very much appreciates your gift. We assure you that all of it will be used to support the poor, needy and homeless of our community.

We hope you will keep our ministry in your prayers and be assured that you are in ours. Private support like yours provides essential resources for our clients, enhances our ability to reach the poor and forgotten and extends our service programs.

We are proud of our organization and would welcome an opportunity to give you a tour of our facilities at your convenience. Thank you so much for helping us to help others.

Sincerely,  
Kathleen Begley  
President, Rogue Valley Council St. Vincent de Paul
